### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Replace the Abstract as follows:

--- In an apparatus which captures a photographic image, stores the captured image in an image storage device, reads the image stored in the image storage device, and records the read image on a recording medium, in a method for controlling such an apparatus, and in a computer program product for providing such a control method, an adjustment value of exposure is displayed with a bar-type indication before shooting and the number of images which can be stored in the image storage device is displayed within a predetermined time after shooting, and the display of the number of images which can be stored in the image storage device is changed according to the number of images which can be recorded in the recording medium. ---

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Referring to claims 1-2 and 11, the prior art searched and of record neither anticipates nor suggests in the claimed combinations, a bar-type indication display device for indicating on a display an adjustment value of exposure before shooting, and

Art Unit: 2626

a control device for controlling the display device to change the display within a predetermined period of time after the shooting according to a remaining number of images which can be recorded on the buffer memory.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
